

Entente Cordiale Day

Honouring the history of Entente Cordiale to shape the future by addressing global challenges

Our Mission

Launched in 2024 at the **Château de Breteuil**, the Entente Cordiale Day Association aims to crystallise the spirit of Entente Cordiale between the United Kingdom and France by bringing together each year **the great minds** from the two nations' top tier academic institutions to produce, discuss and provide solution-focused research on today's most pressing global issues. Entente Cordiale Day is a student and alumni-led **unique initiative** shaped around 3 annual events: The **Entente Cordiale Day Challenge**, The **Entente Cordiale Day Summit** and the **Entente Cordiale Day Alumni Meeting**.
